

NAVIANCE

Susquehannock High School partners with Hobsons to provide its families with access to Naviance, a web-based service designed especially for students and parents. Naviance gives students and parents access to several tools which can assist them in the student's college and career plan development and decision making. Naviance will allow students and families to:

Track Graduation Project Status

- Students will manage their graduation project as an electronic career plan & portfolio in Naviance
- Parents can track the completion of required graduation project tasks for each grade.

Career Exploration in Career Seminar Class

- Students will research various careers including required skills, daily requirements and salaries in this class.
- Parents can view this information, their student's results, or add additional careers.

Search For Colleges Using Specific Criteria

- Students and/or parents can search for colleges based on different or multiple criteria including price, size, distance, major, acceptance rate, etc.

Save College & Careers of Interest

- Students & parents can also save colleges that they're interested in and indicate their level of preference.
- Counselors can see all colleges in a student's list and suggest others.

Receive Exclusive Information From Colleges

- Students & parents will be notified when a school is visiting SHS if they have it as a saved school.
- Counselors can forward e-mails from schools about open houses, enrichment programs, fee waivers, etc if saved in Naviance.

Send College Application Materials

- Students will research various careers including required skills, daily requirements and salaries in this class.
- Parents can view this information, their student's results, or add additional careers.

-----PLEASE ACKNOWLEDGE IN SAPPHIRE-----

Naviance requires student information for the service to operate. This data is used for school purposes to allow the client to view student activity within Naviance. The required student data elements are: **Name, Student ID number, Gender, Class Year,** and **District Building.** The required parent data elements are: **Name** and **e-mail address** but SYCSD also imports **mailing address & phone number** information from Sapphire. On needed occasions, student & parent data may be visible to select Hobson's employees when providing customer support to SHS school counselors. These Hobson's employees have undergone background checks, privacy & security training and have signed non-disclosure agreements. Naviance offer schools the option to choose from a select list of 3rd party tools that are embedded into the platform to support students' college and career goals. These include **Gallup, Roadtrip Nation, Sallie Mae, TeenLife Media, The Common Application, Parchment, The National Student Clearinghouse,** and **Human eSources,** none of which require – and as such do not receive – any personal information on parents or students. All 3rd party providers are under contract with Hobsons and are required to follow all applicable laws, as well as Hobson's privacy policy and security requirements.

Statements below are for Heather to put in Sapphire

I authorize SHS Counseling Department to activate my Parent Account.*

I DO NOT authorize the SHS Counseling Department to activate my Parent Account.

* You will receive an e-mail to the address we have on file with instructions to access your Naviance Parent Account.
